

# Understanding Your Child's Report Card

This report shows how often your child attends, how their reading is growing, and exactly which skill they're learning now.

## 1 Showing up

### Attendance Target 80%+

The percentage of scheduled tutoring sessions your child attended.

### Minutes per Session Target 13+

Average minutes of active reading work in each session.

A green check means your child is on target. Short, steady practice is how reading grows.

## 2 Reading growth

**Words Correct per Minute:** words read correctly in one minute. It measures smooth, accurate reading.

**High Frequency Words:** common words read on sight, like *the*, *said* and *was*.

**Pink circle** = score now

**Started** = first score

**Goal** = the target

**+4 from Start** = growth

## 3 The skill map

★ **Tip: find the gold star. That's what your child is learning now.**

Each column groups the foundational reading skills typically taught in that grade level. Your child practices these skills in order, building a strong base for confident reading.
